Dear Friend,

Welcome to my constituent newsletter. I hope to keep you informed about what's going on in Washington, as well as how my office can help you with any questions you have.

I also want you to use these e-mails to tell me about you- what issues concern you, what actions Congress should take, and how we can better serve you and the people of the Sixth Congressional District of Louisiana.

In the coming months, Congress will be addressing issues that our families face. Gas prices are rising, causing our cost of living to increase. Many children and seniors are not receiving the health care they deserve. Many homeowners in Louisiana are facing rising insurance costs.

It is important for to me to know what's important to you. I hope you will take a few minutes to feel out the brief survey below so I can understand what the people of my district care about. I also hope you will provide more information about yourself so I can stay in better contact with you.

Though I have only been in office for a month, it has been my great pleasure to serve you. I look forward to representing the people of the Sixth District.

Sincerely,

Congressman Don Cazayoux
