

Cazayoux Urges FEMA to Reimburse for Generators

WASHINGTON, DC- Congressman Don Cazayoux sent a letter to FEMA Director R. David Paulison requesting that FEMA change its Interim Recovery Policy for Hurricane Gustav to include generator costs for people without power for over seven days. Currently, only FEMA applicants with medical needs are reimbursed for generators.

Sends letter to
FEMA director Paulison requesting that FEMA reimburse for generator costs for
all people without power for over seven days

WASHINGTON,
DC- Congressman Don Cazayoux sent
a letter to FEMA Director R. David Paulison requesting that FEMA change its
Interim Recovery Policy for Hurricane Gustav to include generator costs for
people without power for over seven days. Currently, only FEMA applicants
with medical needs are reimbursed for generators.

A copy of the letter is attached to this e-mail.
